Declaration of Wu Rong

I, Wu Rong, of the City of Shenzhen, China, declare as follows:

1. I am over eighteen (18) years of age. I have never been convicted of a felony or any criminal offense involving moral turpitude, and I am fully competent to testify to the matters stated herein. I have personal knowledge of every statement made in this Declaration and such statements are true and correct.
2. I am a manager supervising the operations of the following Amazon stores: Debouor and S5E5X (the "Stores").
3. I have access and control of the Stores.
4. I confirm that all sales of the accused products in this case have ceased, and the product was permanently removed from the Stores on April 14, 2021. Attached in **Exhibit A** is evidence that the accused product and the relevant listing are no longer available in the Stores.
5. After a diligent search of sale record and to the best of my knowledge, the Stores sold 35 items of the accused products for \$375.88, and the last sale occurred on February 25, 2021. Attached in **Exhibit B** is a complete sale record of the accused product.
6. The asset restraining order has prevented me from withdrawing any funds from the

restrained accounts, including any future income, no matter whether they are related to the sale of accused products, and caused damages to my business. The damages increase each day that I am prevented from accessing funds needed to operate the business.

7. If the asset restraint is lifted, I will keep operating the Stores as normal and not act to close the Stores. The Stores were opened in November 24, 2017 at the earliest, and has been in continuous operation. The withdrawal of funds from the accounts will be limited to the extent that is necessary to operate the Stores business as normal.
8. I have never threatened or planned to drain assets from the Stores.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed this June 12, 2021 in Shenzhen, China.

Declaration of Huizhang Wang

I, Huizhang Wang, of the City of Shenzhen, China, declare as follows:

1. I am over eighteen (18) years of age. I have never been convicted of a felony or any criminal offense involving moral turpitude, and I am fully competent to testify to the matters stated herein. I have personal knowledge of every statement made in this Declaration and such statements are true and correct.
2. I am a manager supervising the operations of the following Amazon store: CO CO-US, a.k.a. relax CO CO (the "Store").
3. I have access and control of the Store.
4. I confirm that all sales of the accused products in this case have ceased, and the product was permanently removed from the Store on February 1, 2021. Attached in **Exhibit A** is evidence that the accused product and the relevant listing are no longer available in the Store.
5. After a diligent search of sale record and to the best of my knowledge, the Store sold 51 items of the accused products for \$805.8, and the last sale occurred on February 1, 2021. Attached in **Exhibit B** is a complete sale record of the accused product.

6. The asset restraining order has prevented me from withdrawing any funds from the restrained account, including any future income, no matter whether they are related to the sale of accused products, and caused damages to my business. The damages increase each day that I am prevented from accessing funds needed to operate the business.
7. If the asset restraint is lifted, I will keep operating the Store as normal and not act to close the Store. The Store was opened on June 16, 2020, and has been in continuous operation. The withdrawal of funds from the account will be limited to the extent that is necessary to operate the Store business as normal.
8. I have never threatened or planned to drain assets from the Store.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed this June 12, 2021 in Shenzhen, China.

1. I am over eighteen (18) years of age. I have never been convicted of a felony or any criminal offense involving moral turpitude, and I am fully competent to testify to the matters stated herein. I have personal knowledge of every statement made in this Declaration and such statements are true and correct.
2. I am a manager supervising the operations of the following Amazon stores: Chenjbo (aka Halloween clearance&Christm as clearance), Mariee, and Shan-s (the "Stores").
3. I have access and control of the Stores.
4. I confirm that all sales of the accused products in this case have ceased, and the product was permanently removed from the Stores on or before April 19, 2021. Attached in **Exhibit A** is evidence that the accused product and the relevant listing are no longer available in the Stores.
5. After a diligent search of sale record and to the best of my knowledge, the Stores sold 6 items of the accused products for \$77.8, and the last sale occurred on February 25, 2021. Attached in **Exhibit B** is a complete sale record of the accused product.

6. The asset restraining order has prevented me from withdrawing any funds from the restrained accounts, including any future income, no matter whether they are related to the sale of accused products, and caused damages to my business. The damages increase each day that I am prevented from accessing funds needed to operate the business.
7. If the asset restraint is lifted, I will keep operating the Stores as normal and not act to close the Stores. The Stores were opened in August 24, 2017 at the earliest, and has been in continuous operation. 7. If the asset restraint is lifted, I will keep operating the Store as normal and not act to close the Store. The Store was opened in December 29, 2018, and has been in continuous operation. Case No. 4:21-cv-00492

Judge Reed C. O'Connor

Declaration of Yanfang Zeng

I, Yanfang Zeng, of the City of Shenzhen, China, declare as follows:

1. I am over eighteen (18) years of age. I have never been convicted of a felony or any criminal offense involving moral turpitude, and I am fully competent to testify to the matters stated herein. I have personal knowledge of every statement made in this Declaration and such statements are true and correct.
2. I am a manager supervising the operations of the following Amazon store: Hilyo, a.k.a. dingulasi (the "Store").
3. I have access and control of the Store.
4. I confirm that all sales of the accused products in this case have ceased, and the product was permanently removed from the Store on February 25, 2021. Attached in **Exhibit A** is evidence that the accused product and the relevant listing are no longer available in the Store.
5. After a diligent search of sale record and to the best of my knowledge, the Store sold 9 items of the accused products for \$99.55, and the last sale occurred on February 24, 2021. Attached in **Exhibit B** is a complete sale record of the accused product.

6. The asset restraining order has prevented me from withdrawing any funds from the restrained account, including any future income, no matter whether they are related to the sale of accused products, and caused damages to my business. The damages increase each day that I am prevented from accessing funds needed to operate the business.
7. If the asset restraint is lifted, I will keep operating the Store as normal and not act to close the Store. The Store was opened on June 13, 2019, and has been in continuous operation. The withdrawal of funds from the account will be limited to the extent that is necessary to operate the Store business as normal.
8. I have never threatened or planned to drain assets from the Store.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed this June 12, 2021 in Shenzhen, China.

UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF TEXAS
FORT WORTH DIVISION

THE NAUGHTYS LLC

Plaintiff,

V.

DOES 1-580

Defendants.

Case No. 4:21-cv-00492

Judge Reed C. O'Connor

Declaration of Zhou Shixiong

I, Zhou Shixiong, of the City of Shenzhen, China, declare as follows:

1. I am over eighteen (18) years of age. I have never been convicted of a felony or any criminal offense involving moral turpitude, and I am fully competent to testify to the matters stated herein. I have personal knowledge of every statement made in this Declaration and such statements are true and correct.
2. I am a manager supervising the operations of the following Amazon store: TBKOMH ( 2021 Golden Moment: Up to 80% off) (the “Store”).
3. I have access and control of the Store.
4. I confirm that all sales of the accused products in this case have ceased, and the product was permanently removed from the Store on February 26, 2021. Attached in **Exhibit A** is evidence that the accused product and the relevant listing are no longer available in the Store.
5. After a diligent search of sale record and to the best of my knowledge, the Store sold 440 items of the accused products for \$3,482, and the last sale occurred on February 25, 2021.

6. The asset restraining order has prevented me from withdrawing any funds from the restrained account, including any future income, no matter whether they are related to the sale of accused products, and caused damages to my business. The damages increase each day that I am prevented from accessing funds needed to operate the business.
7. If the asset restraint is lifted, I will keep operating the Store as normal and not act to close the Store. The Store was opened on August 3, 2020, and has been in continuous operation. The withdrawal of funds from the account will be limited to the extent that is necessary to operate the Store business as normal.
8. I have never threatened or planned to drain assets from the Store.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed this June 12, 2021 in Shenzhen, China.

**UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF TEXAS
FORT WORTH DIVISION**

THE NAUGHTYS LLC

Plaintiff,

V.

DOES 1-580

Defendants.

Case No. 4:21-cv-00492

Judge Reed C. O'Connor

Declaration of Tan Long

I, Tan Long, of the City of Shenzhen, China, declare as follows:

1. I am over eighteen (18) years of age. I have never been convicted of a felony or any criminal offense involving moral turpitude, and I am fully competent to testify to the matters stated herein. I have personal knowledge of every statement made in this Declaration and such statements are true and correct.
2. I am a manager supervising the operations of the following Amazon store: ZEFOTIM Big Promotion!!! (the "Store").
3. I have access and control of the Store.
4. I confirm that all sales of the accused products in this case have ceased, and the product was permanently removed from the Store on January 4, 2021. Attached in **Exhibit A** is evidence that the accused product and the relevant listing are no longer available in the Store.
5. After a diligent search of sale record and to the best of my knowledge, the Store sold 6 items of the accused products for \$110.75, and the last sale occurred on January 3, 2021. Attached in **Exhibit B** is a complete sale record of the accused product.
6. The asset restraining order has prevented me from withdrawing any funds from the

restrained account, including any future income, no matter whether they are related to the sale of accused products, and caused damages to my business. The damages increase each day that I am prevented from accessing funds needed to operate the business.

7. If the asset restraint is lifted, I will keep operating the Store as normal and not act to close the Store. The Store was opened on August 25, 2018, and has been in continuous operation. The withdrawal of funds from the account will be limited to the extent that is necessary to operate the Store business as normal.
8. I have never threatened or planned to drain assets from the Store.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed this June 12, 2021 in Shenzhen, China.
